

QUALITAIR
a Randstad company

Aviation Recruitment and Project Specialists

Qualitair Aviation Group

success is largely dependent on
the company you keep

Since its beginnings in 1969, the Qualitair brand is a recognised benchmark for quality in the aviation and aerospace industry.

In 2007 Qualitair became part of Randstad Holding, the world's second largest provider of HR and staffing services.

Choosing the right recruitment specialist to support your requirements is imperative. Whether we're finding the most exciting career opportunities for job seekers, or sourcing the best talent for our clients, we can guarantee you the full attention of an expert team who are dedicated to meeting your specific needs.

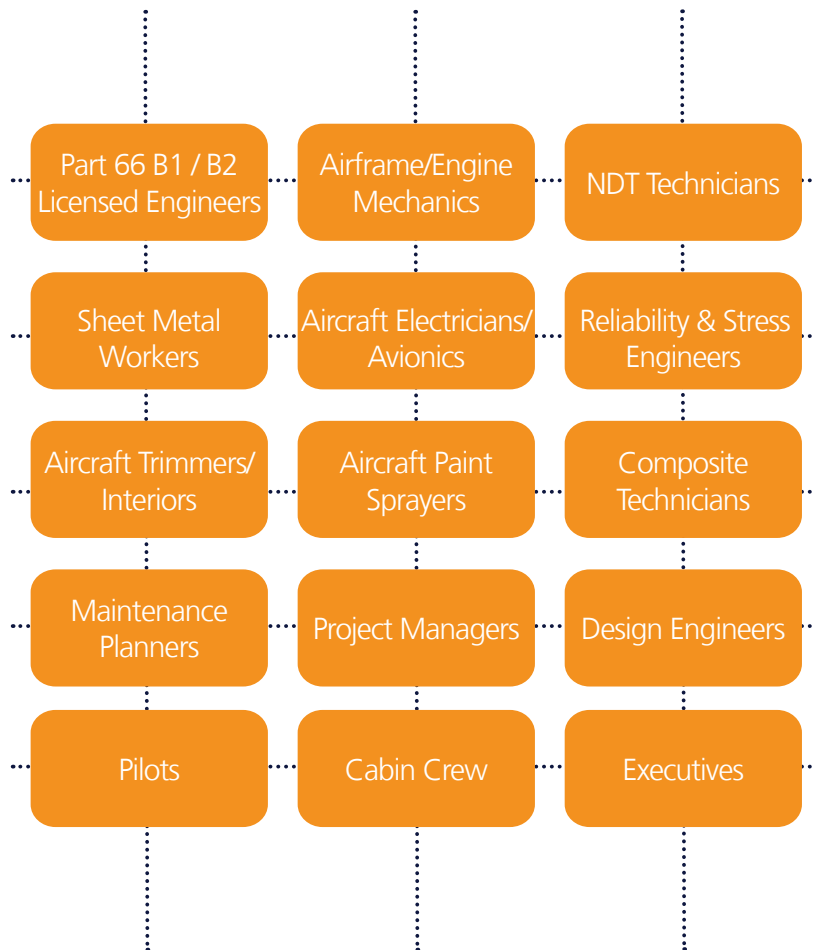

Our vision and strategic objective

- To remain a benchmark within aerospace and aviation recruitment and project management
- To provide our customers and personnel with a legally compliant and risk-free service
- To deliver innovative concepts for cost effective solutions
- To guarantee continuous attention to detail, ensuring total commitment to customers and personnel

The profiles we deliver:

- Technical & Engineering Personnel
- Personnel for Support Functions
- Management & Supervisory Staff

The services we offer:

- Permanent Recruitment
- Temp Staff Provision
- Executive Searches
- Cross-border Staff Payroll
- Fixed Price Engineering Projects
- Managed Service Provision
- In-house Co-ordination
